

ANSWERING QUESTIONS

How much does it cost?

“If the opportunity isn’t right for you, it doesn’t cost a thing.”

“This is the amazing thing...it costs less than any traditional business I’ve ever seen and the opportunity is huge! They carry the inventory for you. They do the shipping. You just get people to order online and they do the rest. Then you watch the mail for your commission check.”

Is this network marketing?

“Yes. Are you familiar with the industry? It has really gone mainstream. Even Warren Buffet and Donald Trump got involved in network marketing. After seeing the power of it, I understand why.”

What do you do for a living?

“I run an international wellness business that I’m looking to expand in this area.”

“I show people how to improve their health.”

“I show people how to create their own economy and eliminate their debts.”

“I’m building a home-based business that is positioned in the next trillion-dollar industry—the health and wellness industry.”
