

How to take your Kyäni Products

The Kyäni products, and Kyäni Triangle of Health are designed to work in perfect harmony providing your body with daily essential vitamins and minerals.

Step 1:

Take Kyäni NitroFX or Nitro Xtreme first thing in the morning, before you take Kyäni Sunrise. This will prepare your body to most effectively absorb Kyäni Sunrise.

Step 2:

Take one sachet of Kyäni Sunrise in the morning to start your day the very best way. Kyäni Sunrise provides you with essential vitamins, trace minerals, and antioxidants.

Step 3:

Take Kyäni NitroFX or Nitro Xtreme in the early afternoon for an extra energy boost.

Step 4:

Take Kyäni NitroFX or Nitro Xtreme again before your evening meal, before taking Kyäni Sunset.

Step 5:

Take three capsules of Kyäni Sunset with your evening meal to allow the powerful tocotrienols and omega-3s to help restore your body during sleep.
